

Catholic Community of Pleasanton Music Ministry

WWW.CCOPMUSIC.ORG

Dear _____,

The Catholic Community of Pleasanton (CCOP) has been serving residents of the Tri-Valley & East Bay for over 100 years. For the first time, Our Music Ministry, a group of over 100 dedicated Children, Teenagers and Adults of all cultural backgrounds, has responded to a spiritual call to journey to historic Rome to perform at St. Peter's Basilica, Assisi and especially the Vatican to sing for Pope Benedict XVI, in November of 2010.

Due to demanding logistic and financial requirements, we have created the CCOP Rome Pilgrimage Scholarship Fund to help support our Choir & Clergy in making the journey. We are committed to raising \$150,000 and ask for your donation to support those who cannot otherwise afford to pay for this opportunity. Please read more about the Scholarship Fund at pilgrimage.ccopmusic.org or visit our Music Ministry home site at www.ccopmusic.org.

Over the coming year, we are producing many exciting community events that benefit our Rome Pilgrimage Scholarship Fund. We will need event sponsors, program advertisers plus products, services, auction items and even cash donations. With local businesses, organizations & individuals supporting our Pilgrimage Events, we can provide scholarships for all in need.

By choosing to sponsor an event, your business receives targeted exposure to over 50,000 local residents via multi-media marketing like church bulletin advertising, event program advertising, event signage, live "Sales Table" opportunities and **full year round CCOP music website listings** plus inclusion in all media advertising for each event.

You can also choose to set up a financial scholarship(s) for a music ministry member for \$3000 per traveler. We'll also accept smaller cash donations that can be accumulated to build into a full scholarship. You choose the level of sponsorship, advertising or donation that fits you best.

The coming year will be fun and exciting as we prepare for our "once in a lifetime" journey. Even given our economic times, we trust in the goodwill of our friends, family and businesses we support daily and please be assured, your intentions and generosity will most certainly journey with us.

Sincerely,

Joseph Hébert
CCOP Music Ministry Director

Sincerely,
